“

I've been looking at the feedback and one of the comments from a young person is "the best parts of the event was the talk given by Ruth Dube as it inspired me to be who I truly want to be."

## About Ruth Kudzai

**Looking to connect with a diverse professional audience, champion inclusion, and tap into Africa's growth potential?** Look no further than Ruth Kudzai, a powerful voice and brand ambassador with a unique ability to bridge the gap.

### **A Force for Empowerment:**

Ruth's journey is an inspiration. As a young Black woman, she shattered glass ceilings in the corporate world, becoming a relatable role model for diverse professionals. Her award-winning coaching and captivating speaking style empower individuals to achieve their full potential.

### **Beyond Inspiration: Building Bridges Through Experience**

With a decade of experience working for major transport operators in the UK, Ruth possesses a deep understanding of business development and project management and strategic decision-making. Her expertise translate into practical and actionable guidance for professionals and businesses seeking to thrive.

### **A Passionate Advocate for Diversity and Inclusion:**

Having navigated corporate spaces as a sole minority voice, Ruth is a powerful advocate for diversity and inclusion. She champions inclusive leadership practices and inspires others to create a more equitable world.

### **Beyond the Boardroom: A Global Champion for Change**

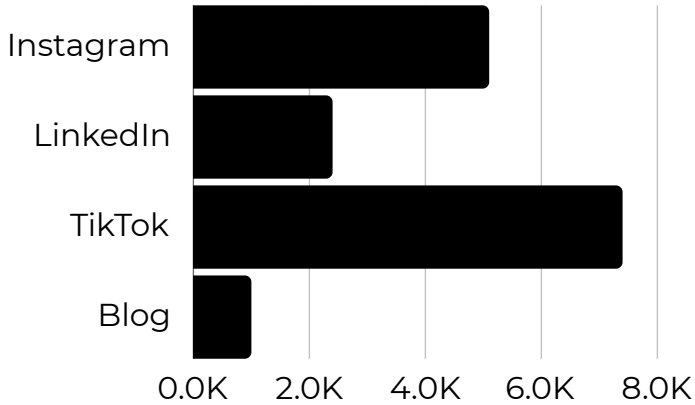

Ruth's influence extends far beyond coaching. She founded The Executive Branch, a platform empowering women, and the Stenom Foundation, promoting social entrepreneurship among African youth. Her commitment to unlocking Africa's potential further strengthens her appeal to a global audience seeking inspiration, actionable insights and a catalyst for positive change.
